Dear Earth,

Thank you for letting us live
here

love you! I have a question for

you, what does it feel like when

people/kids walk or run on you? I

promise that I will turn off the

lights and to turn the water off

When I brush my teeth or

wash my hands. I love you earth!

From ♡ Brooklyn ♡

Thank you!

Dear Earth,

Thank you for letting us live on you do you like living in space do also like when the sun shines on you.

I wonder if you are a boy or a girl I know that some people call you mother nature but really want to know, are you really a girl. I promise to save water and I also promise to recycle my recyclables.

Dear Earth,

thank you for the trees
thank you for the plants I
promise to always recycle and
I promise to never chop down
a tree. What does it feel like
when someone digs a hole in you
and what makes you sad? When
someone chops down a tree what
does it feel like? does it
hurt and how big are you?
thank you for letting us
have you as our home
when do you feel cold and
when do you feel hot?
