

Welcome to Division 13

Class Rules:

Follow directions quickly
Raise your hand before you speak
Be safe and caring
Use your manners
Always try your best

Water Bottles

Please send a water bottle with your child every day. He or she can keep it on his or her desk and sip from it throughout the day.

Indoor shoes

If you have not already done so, send a pair of indoor shoes with your child. They should be shoes that your child can run in and can fasten independently.

Please make an effort to teach your child to tie his or her own shoes!

Toys

Toys are a distraction at school. I request that no toys are sent to school unless it is previously arranged for a special occasion.

Food

Out of respect for the learning environment, please make an effort to send healthy snacks and lunches for your child. The impact a sugary treat at recess has on both your child's learning and the learning of his or her peers can be significant.

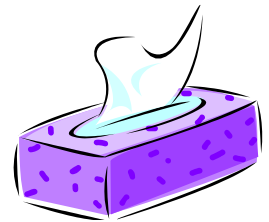

Absences

Please inform the office of any planned or unexpected absences from school.

(250) 382-8296

Kleenex or Sponges

As you can imagine there can be lots of runny noses and lots of sticky messes in a primary classroom. If you would be

able to contribute one box of Kleenex or a package of non-abrasive sponges to the class this year it would be much appreciated.

Thanks,

Shawna Wood
